

Turcanu Razvan

romanian, 27 years old
I currently live, work and play in Sibiu, Romania

Personal Statment

I seem to be a creative, adaptable and bright individual with an excellent eye for detail, and sense for design concepts. I would like to be part of a diversified work environment, where assorted people, disciplines and ideas blend, and feed off each other. Under these circumstances, I seek a position which will challenge my fast-paced learning style.

Desired Position

user experience designer
lead front-end developer

Relevant Skills Certifications

TECHNICAL:

HTML, CSS, JavaScript, jQuery, Modernizr, Bootstrap, DevTools, responsive design, cross-browser development, obsessed with performance and optimization, .NET, Photoshop, Illustrator

COMPLEMENTARY:

fluent in English, graphic design, product design, keen eye for detail, interest for philosophy, psychology, art (e.g. gestalt theory)

PERSONAL:

resourceful, creative, good communication and interpersonal skills, appetite for design, good initiative, adept at learning, excellent conceptualization skills

MICROSOFT 070-480 CERTIFICATE:

Programming in HTML5 with JS and CSS3

MICROSOFT 070-486 COURSE:

Developing ASP.NET MVC Web Applications

CERTIFICATE OF PROFICIENCY IN ENGLISH
by The University of Cambridge

I AM INTERESTED IN LEARNING:

- advanced ux concepts
- android and iOS - UI implementation
- single page applications - angular.js

Work Experience

march 2014 - present

UX/UI DESIGNER AND DEVELOPER at MI-PAY PLC , SIBIU

- front end development in .NET MVC for payment service apps
- design of ui and optimizing for mobile and other devices (responsive design)
- consulting for clients and other 3rd parties on design and integration
- produce articles on internal best practices and ui/ux recommendations

dec. 2012 - feb. 2013

ARCH. INTERNSHIP at "SZENDE SZENTESI INDIVIDUAL ARCH. PRACTICE" , Cluj-Napoca

july - august 2012

ARCH. INTERNSHIP at "N2 ARHITECTURA" , Cluj-Napoca

july - august 2011

ARCH. INTERNSHIP AT "SC. HUBERTUS", Sibiu

- I regard my architectural studies/activity as a highly instructive experience:
- learned to integrate different fields of activity
- refined teamwork and communication skills, developed skills for product design
- developed creativity, problem solving skills, thinking outside the box

Education

2007 - 2013

UNIVERSITY OF ARCHITECTURE AND URBANISM , Cluj-Napoca

Architect Degree (Bachelor + Masters in Urban Planning, 4+2 years)

1995 - 2007

„OCTAVIAN GOGA” NATIONAL COLLEGE, Sibiu

Baccalaureate, Capacity Certificate, Professional Certificate in C++ Programming

Recomandations

Attached I have provided letters of recommendation from a few people, whom I have worked with:

- **arch. Andrei Nejur** - owner of 'N2 Arhitectura'
- **arch. Szende Szentesi** - owner of individual architectural practice
- **Catalin Mihacea** - former head of development and test at Mi-Pay PLC
